As a leader in innovation, Strongarm is committed to providing an environment for professional development. We encourage all qualified candidates to apply for the opportunity to join our team in a rapidly growing industry.

JOB TITLE: Miscellaneous Fabrication Operator (Metal Manufacturing Department)

JOB LOCATION: Horsham, PA 19044

JOB REQUIREMENTS:

- Prior machining and hand tool experience
- Ability to read and understand engineering prints
- Ability to use and read various measuring devices such as calipers, levels, depth gauges, and protractors
- An aptitude for problem-solving
- Ability to stand for 2+ hours at a time and lift up to 50 lbs

JOB DESCRIPTION & RESPONSIBILITIES:

Operate equipment in the miscellaneous fabrication division of our metal manufacturing department, including Bridgeport mill and lathe, Baileigh band saw, and more. Fabricate and modify various metal components from stainless steel, cold rolled steel, aluminum, and cast aluminum. This position reports directly to the Manufacturing Manager and Manufacturing Lead.

- Set up and operate a variety of machines to fabricate required metal parts
- Ensure proper machine maintenance according to the maintenance schedule and operator manual
- Assist in tracking the stock levels of supplies and raw materials to ensure an adequate level of inventory
- Ensure quality and aesthetic standards for our custom, made-to-order products

- Perform measurements and inspections to adhere to work order, engineering print, and specifications including flatness, parallelism, and dimensional tolerances
- Complete non-conforming material reports for incoming materials that are defective or do not meet required specifications
- Perform all job duties according to Strongarm's policies and procedures

COMPENSATION PACKAGE:

- Pay rate up to \$18.00 per hour based on experience and certification
- Personal time off (including sick days and personal days)
- 401K plan available
- Health insurance, including dental and vision
- Eligible for twice-yearly bonuses and yearly wage increases based on timely performance reviews
