We encourage all qualified candidates to apply for the opportunity to join our team in a rapidly growing industry.

**JOB TITLE:** TIG Welder III (Metal Fabrication Department)

**JOB LOCATION:** Horsham, PA 19044

## **JOB REQUIREMENTS:**

- Prior experience TIG welding thin gauge stainless steel, mild steel, and aluminum sheet metal
- Ability to read and understand engineering prints
- Knowledge of welding symbols
- Ability to use and read various measuring devices such as calipers and protractors
- Working knowledge of sheet metal gauges
- Ability to weld typical joints, including butt joints, lap joints, corner joints, tree joints, and edge joints
- Ability to stand for 2+ hours at a time and lift up to 50 lbs

## **JOB DESCRIPTION & RESPONSIBILITIES:**

- TIG weld sheet metal enclosures and parts based on provided engineering prints and draft specifications
- Fit and tack weld various shapes and sizes of sheet metal
- Ensure quality and aesthetic standards for our custom, made-to-order products
- Perform measurements and inspections to adhere to work order, engineering print, and specifications including flatness, parallelism, and dimensional tolerances
- Complete non-conforming material reports for incoming materials that are defective or do not meet required specifications
- Perform all job duties according to Strongarm's policies and procedures

### **COMPENSATION PACKAGE:**

- Pay rate up to \$27.00 per hour based on experience and certification
- Personal time off (including sick days and personal days)
- 401K plan available
- Health insurance, including dental and vision
- Eligible for twice-yearly bonuses and yearly wage increases based on timely performance reviews

**APPLY ONLINE**
