MightyMount®
STRONGARM’s “Light” Industrial Mounting That’s HEAVY Duty

Ergonomic Adjustability
- Counterbalance provides smooth and effortless adjustment
- Unique linkage keeps the display and keyboard level throughout travel
- Lever actuated lock-in-place for a secure and stable platform

Machinery Grade Construction
- Significantly different from “office grade” products
- Precision milled, die-cast aluminum structure
- Ideal for machine builders and discriminating end users

Extensive Customization
- However you need it...we can build it
- OEMs rest assured, guaranteed lifetime supply
